

## MISC. TOOLS

**9-77-25**

### **15 GAL 1200 WATT H.D. SHOP VAC**

Fein Tools

The Fein Turbo III features an automatic on-off switch. Plug your sander into the panel-mounted outlet. When you turn your sander on, the vac starts automatically. When you shut your sander off, the vac continues to run for 3 seconds to clean the hose.

Rugged Design

The Fein Turbo III is designed for heavy, continuous, industrial use. The Turbo III can handle power tools with inputs of 40 to 2000 watts (.3 to 19 amps). The powerful two-stage motor offers bypass cooling. This means that if the hose or filter becomes blocked, air will still cool the motor.

Quiet

Producing a mere 57.8 dB(A) noise level at 3.5 feet, the Fein Turbo III is one of the quietest vacs available on the market today.

ITEM#: 019030

**DW0736**

### **CONSTRUCTION TRIPOD**

Dewalt

Industry Standard 5/8"x11 mounting threads, flat head design.

Quick-Release legs for fast & easy setup.

Height 68" opened, 42" closed.

Lightweight, durable aluminum construction.

Pointed steel feet are stable on any terrain.

Built in strap for easy transport.

ITEM#: 027186

## **DW911** **WORKSITE RADIO/CHARGER**
